### **Addo Elephant Back Safaris Adventure Gift Vouchers are Available.**

They have been revered as symbols of wealth and royalty in countries across the globe and today we offer you the opportunity to reach out and make contact with African Elephants in their natural habitat.

Larger than the Indian Elephant, African Elephants are a sight to behold and to interact with them is an unforgettable experience. They say that elephants never forget. Well, you will surely never to forget your up-close and personal encounter with one. Well trained staff and tamed Elephants await you, but please always keep in mind that these creatures are to be treated with the utmost care and respect; after all, they are still wild animals.

Elephant interaction happens in many different ways from feeding and walking with the animals to elephant back safari experiences. What we offer you is the chance to ride one of these majestic elephants followed by a walk beside them and finally concluded with watching them enjoy their favourite waterhole from the lookout deck of our comfortable boma.
