- Only two anglers will be allowed to land a yellow fin tuna on the fly within one trip, therefore the boat will have to be chartered for yourself and one more angler only (maximum 2 people)
- Family and friends are welcome to join in the adventure, but not allowed to do any fly fishing.

Tuna Spear fishing

Deep sea fishing charters for spear fishing are only available to competent spear fisherman. Spear fishers must supply their own wetsuits and spear fishing gear.

- Boat is capable of cruising at 28 knots with a top speed of 40 knots, thereby giving maximum bird watching

time.
