Helicopter African Safari Gift Experience Vouchers are Available.

The one thing that is often a problem is the long distances that must be travelled to get to the game reserves. This is where we come in and give you the opportunity of having a helicopter charter flight to the Tala Private Game Reserve. Instead of spending hours on the road to get there, we whisk you there through the skies. The helicopter ride in itself is a great adventure and then having a safari experience simply doubles what you get out of your adventure.

MORE

What we offer:

- A helicopter ride to Tala Private Game Reserve
- Safari experience with refreshments.
- Helicopter ride back to Durban afterwards.

Conditions:
