## INTRO

Hog Hollow is a 4-star lodge set on the edge of an indigenous forest in a private nature reserve with panoramic views of the surrounding indigenous forests, valleys and mountains, in one of the most beautiful parts of Africa - the Garden Route.

Our 16 suites all have private decks overlooking these vistas and offer guests relaxed luxury in an unforgettable setting.

The Main House forms a communal dining area surrounded by a long blue swimming pool that visually flows into the valley below and a boma where nightly fires are lit. Other attractions include a forest sauna and privately sited forest shower with incredible views over the valley.

Expect outstanding cuisine, numerous activities to suit each guests need, and truly memorable hospitality from our team. For the adventurous, the lodge is the perfect base from which to explore and experience numerous adventure activities. We are renowned for our personalised service and assist you with the planning and booking of daily excursions.

All guests cars are washed daily with the compliments of Hog Hollow.

Hog Hollow welcomes children. We organise babysitting, special turn downs with a glass of fresh milk and a Gingerbread Man, children's stories and CDs, buckets and spades, boogie boards. For our junior guests we have an earlier dining time with special menus.

Please note: we are set on the edge of a gorge so our landscape profile is very steep. We also have unfenced dams and an unfenced pool on the premises, so parents are kindly requested to accompany their children at all times when around these areas.

Hog Hollow is closed for the month of June. However, we are open for reservations all year round!
