MORE

What we are offering you is basic tuition for kiteboarding in the mother City, Cape Town. Dolphin Beach in Blouberg is the perfect place for you to test your board skills, get your feet wet and have loads of fun doing it. The kiteboarding lessons come to you in three two-hour modules throughout the day, namely at 10am, 2pm and 5pm.

You will learn the basics of kiteboarding from professional kite surfers. You will start out with being shown how to handle the kite from the beach (keeping in mind that these are very powerful kites) and then later be taken out onto the water where you will learn to catch air from high above the waves.

The sea spray, salty taste on your lips, wind on your face and your heart hammering in your chest as you race across the waves; there simply isn't a better way to spend the day.
