INTINERARY

We also offer lessons in the basics of windsurfing and offer the following:

- Windsurfing basics
- How to control the direction with the rig
- Gybing and basic tacking
- Kit and safety.

Tips and advice:

- Never buy your kiteboarding equipment before you have actually had lessons.
- When you take lessons you have the chance to find out exactly what kite size and model is the best for you personally.
- We start you off by using Airush kites for the lessons and we are also able to supply you with everything you need to start off in this great sport.
- We are able to offer you new as well as used equipment and can advise you on what to buy and what not to. We are authorised dealers of Starboard, JP and Neil Pryde and our selection of used equipment is extensive.
