Roughly 1,5 hours from Pretoria and Johannesburg is the Sparkling Waters Hotel and Spa. Here you can have a canopy tour and spend 2.5 hours gliding from platform to platform having an eco-tour with a difference. The Magalies Canopy takes you from the top of the Ysterhout Kloof on a journey over 11 platforms and 10 slides while you experience the animal life, the birds and nature without once setting foot down onto the forest floor.

Throughout your canopy tour, often 30 meters above the ground you will be accompanied by two trained guides that will see to your safety and give you running commentary about what you are seeing, thus enhancing your canopy tour with additional input.

Before you start on your canopy tour you will have a safety briefing and told about the dos and donts on the tour. After that you will be kitten out with your helmet and safety harness and also your sliding glove.

You are free to ask as many questions as it is important that you are completely comfortable with the whole procedure. We keep the tour groups to maximum 8 persons so that your two guides can give personal attention to each person.

Once everyone is ready you will be transported the 2 kilometers to the first platform and your canopy tour begins. You will never be rushed and you can rest on each platform if you wish before you go on. We serve refreshments during your canopy tour and at the end the transport vehicle will be waiting at the last platform to take you back.
