INTINERARY

On the Day

First, at the depot in Bantry Bay, there will be a briefing and basic instruction to familiarize you with the motorcycle and sidecar. Then you will be equipped with leather jackets, helmets, goggles and rain gear and then it is time to set out on the tour that you have chosen.

Depending on the tour you had chosen you will following some truly spectacular roads that take you past all the famous Cape beaches; Llandudno, Simon's Town, Clifton and Hout Bay to name a few.

Then of course there is the Winelands that produce world quality export wines and have wine tastings at some of the top estates. The West Coast or the Overberg region with vineyards and wheat fields stretching as far as the eye can see.

All our motorcycles are BMWs of the 1930s; pre-war and wartime. All the machines are maintained in perfect order and are completely reliable to ensure that you have a comfortable tour without any problems.

The whole concept of touring the Cape on a Vintage motorcycle puts you in a mind frame of leisurely days long gone when life marched at a slower and elegant pace. This is exactly what we offer you, a tour that is a time-out from the frenetic pace of modern life.

The sidecars are so roomy that if you choose to tour for more than one day, you have ample space for your luggage for overnight and all your personal items.

If you choose not to self-drive you are placed in the hands of highly experienced and knowledgeable chauffeurs that are expert motorcyclists. They will you on whatever guided tour you have chosen or wherever you wish to be taken.
