INTRO

Aquila Safari Lodge

Aquila Safari Lodge offers visitors safari opportunities with a difference. It is the only game reserve in the Cape region that boasts the Big Five. What makes Aquila different is that they base everything in the game reserve and safaris on the philosophy of educating people on conservation, wildlife and the environment. Aquila Lodge is a 4-star facility that offers all safari guests the best in accommodation and game watching and bird watching experience with the added bonus of having a deeper understanding what it is all about at the end of your safari.

Overview:

Aquila Private Game Reserve has large herds of game, including the Big Five for safari goers to see as well as great bird watching opportunities with 172 different bird species. Visitors will also see the endangered and rare Black Eagle. Besides the game drives there are many other activities available at Aquila Safari Lodge, such as 4x4 mountain trails, golf and more.
