INTINERARY

We are passionate about mountain biking and offer exciting and fun bike tours that take you through the most scenic parts of Cape Town and environments. You can choose from a selection of tours that have been put together to match different fitness levels. All mountain biking adventures have a support vehicle with them plus the services of experienced and knowledgeable guides.

We offer people the chance to have a ground level experience of Cape Town and to meet that need we have a large selection of different types of bikes to suit the needs of all riders. We also supply advice and maps of the best ways to get around the Mother City and visit the nearby beaches.

The mountain biking tours we have put together tries to cover the widest possible range of experiences. To that end we offer rides though the Constantia Winelands, the Cape Point Nature Reserve, Table Mountain and Tokai Forest.

We are also able to supply tailor-made packages for groups with trailers, back-up vehicles and expert guides that can include any itinerary.

What makes mountain biking such a great activity is that it is not restricted to an elitist group of experts or trained athletes only. We can organize mountain biking adventures for large groups such as corporate team building outings etc.

We also cater eminently to the needs of the downhill extremists and will organize private rides on hot spots off the beaten track with top-notch single track riding for those that want to experience that rush of adrenaline of being on the edge.
