## INTRO

Provide a truly unforgettable teambuilding on our floating restaurant in Durban! There is nothing more relaxing than a sunset cruise, complete with fine dining and a good company. Now you can enjoy this experience with your staff or clients as a relaxing and classy teambuilding event, great for year-end functions and smaller groups. Teambuilding aims to take staff and clients out of their usual working environment to spend time with each other in a non-professional atmosphere. It is a known fact that friends work together better than acquaintances. Turn acquaintances into friends and build strong team relations between staff, creating a cohesive unit that works well together under all circumstances. Our sunset dinner cruise on an enchanting floating restaurant is ideal for getting people to relax and enjoy each other's company outside of work, getting to know each other better and enhancing team chemistry.

We offer cruises for mornings, lunch/dinner, sunset and champagne cruises for you to choose from, ensuring that there is a cruise to meet your teambuilding needs. Take a relaxing cruise of Durban Harbour and enjoy the company of friends and colleagues as you watch the city skyline drift by. Book your Durban teambuilding event on our floating restaurant now to avoid disappointment during peak season.
